Prior to approx. 1966

Orion Park

Approx. 1966 present

MEW PRP Historical Facility Buildings

- FSC
- Intel/Union Carbide
- NEC
- Raytheon/Rheem
- Raytheon/Union Carbide
- Siltec
- Sobrato

- Approximate MEW Local Study Area Boundary
- Sewer Main and Flow Direction
- Possible Historical Sewer Main (date of installation not confirmed)
- Pump Station and Associated Pipe
- Abandoned Sewer Line
- Abandoned Sewer Structure

Video Log Features\*

- Break
- Crack and infiltration noted
- Infiltration
- Crack
- Sag in line

Notes: Sewer features provided by the City of Mountain View (May 2013). Pre-1966 confirmed lines are shown in a 1957 Sewerage Drainage Survey and a 1959 Improvement Plan.

\*Video log data was obtained from the City of Mountain View(2013/2014) for select sewer lines for 1998-1999, 2007-2009, and 2012-2013. Where data was provided for multiple years, only the oldest log data is shown.
